

REMARKS

Claims 72, 74, 75, 77-79, 81 and 82 have been rejected for failing to comply with the written description requirement. Applicants' representative discussed this rejection with Examiner Shaffer via telephone communications during the week of March 23rd, 2009. During those communications, applicants' representative and Examiner Shaffer agreed that the amendment to claims 72 and 81 that is being submitted with this response will overcome the above-noted rejection. Accordingly, applicants request reconsideration and withdrawal of this rejection in view of the amendment to claims 72 and 81.

Applicants submit that all claims are in condition for allowance.
